M/Y AXIOMA DUNYA YACHTS 72M 2013/2020

Axioma was built by Dunya Yachts in Turkey to an exterior design by Sterling Scott and interior design by Alberto Pinto. Refitted in 2020, Axioma is a verifiable icon of the superyacht fleet, with her striking 72m turquoise-coloured hull a standout figure at any anchorage. Axioma offers accommodation for 12 guests in six luxurious cabins, including a master suite situated on its own private deck with a stunning en suite in blue marble, a full-beam VIP on the main deck, and four guest doubles. Axioma´s main salon provides guests with an incredible sense of space, thanks to a double-height atrium and a gallery. A central elevator connects various decks and Axioma's decor is largely neutral, with accents of colour defining the individual guest cabins. Other highlights of Axioma’s design and amenities include a 3D cinema room, and an infinity pool on the aft deck. Her vast bridge deck is perfect for outdoor recreation, with a relaxed seating area, a large Jacuzzi with swim up bar, and a panoramic gym with adjacent massage and spa steam rooms. In addition to Axioma's long list of high-tech features and a vast array of water toys, she has an extremely professional crew who will be on hand to ensure an unforgettable charter experience.
