Описание

PERFORMANCE & RANGE

Built with a DBM hull and DBM superstructure, she has impressive speed and great efficiency thanks to her planing hull. Powered by twin MTU engines, she comfortably cruises at 18 knots, reaches a maximum speed of 27 knots with a range of up to 1,845 nautical miles from her 19,900 litre fuel tanks at 13 knots. An advanced stabilisation system on board reduces the side-to-side roll of the yacht and promises guests exceptional comfort beside at anchor or when underway.

TOYS

When not cruising Morning Star has onboard an incredible selection of water toys and accessories for you and your guests to connect with the waters around you. Principle among these are seabobs that are hugely entertaining whether you are a beginner or a seasoned pro. Another excellent feature are two PSS SEABOBs, that allow you to skim along the surface or steer under the crystal water and see a variety of aquatic sea life. If that isn't enough Morning Star also features paddleboards and snorkelling equipment. Morning Star features two tenders, but leading the pack is a Williams Tender to transport you in style.
