M/Y NEW EDGE 28M 2019

Following the success and recognition achieved by our previous models, we present a brand new 28m flybridge, M/Y New Edge 28. Her exceptional exterior architecture by Mercury Yachts and her interior design by Angelopoulos Design Group, will be a unique mix of the modern lines of sport yachts and the classic elegance of luxury yachts, which will distinguish her from the rest of the yachts in her class.

Each of the two decks will be dedicated to a different purpose, offering the ideal combination of privacy and relaxation.

The flybridge will be the ideal place for entertaining guests and enjoying the sea breeze. It will be equipped with a large sunbathing area, a dining area with a table that can accommodate 10 people, a bar and a lounge area with a sofa that can be converted into a sunbed. The flybridge will also have a jacuzzi, which will be the perfect place to relax and enjoy the beautiful surroundings.

The main deck will be dedicated to the owner's suite and will spread over almost 70 sq.m. The owner's suite will be designed to the last detail and will offer the ultimate in comfort and luxury. It will have a private bathroom with a shower and a bathtub, a walk-in wardrobe and a private balcony with a sea view. The owner's suite will be the perfect place to relax and enjoy the peace and quiet.

The exterior of the yacht will be designed by Mercury Yachts, a company with a long history of building high-quality yachts. The yacht will have a sleek and modern design, with a large amount of glass to maximize the natural light and the sea views. The yacht will also have a number of features that will make it easy to maneuver and dock, even in tight spaces.

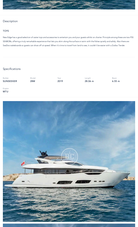

New New Edge 28m will be a luxurious yacht that will be perfect for entertaining guests and enjoying the sea. It will be a unique mix of modern and classic design, and it will offer a number of features that will make it easy to maneuver and dock. The yacht will be a perfect choice for those who are looking for a luxurious and comfortable yacht.

Description

Hull

New Edge has a great balance of power, luxury and beauty in one package. Her hull is designed by Mercury Yachts and has a deep V-shape with a 20° dead rise at the transom. This hull design provides a smooth ride in rough seas and a stable platform at anchor. The hull is also very efficient, with a low drag coefficient and a high top speed.

The flybridge is the perfect place to relax and entertain guests. It has a large sun pad, a dining area for 10 people, and a fully equipped bar. The flybridge also has a Jacuzzi, which is the perfect way to unwind after a long day on the water.

The main deck is where you will find the owner's suite, which is a luxurious retreat with a king-size bed, a private bathroom, and a walk-in closet. There are also two guest staterooms, each with its own private bathroom.

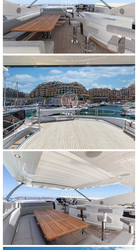

New New Edge 28m is a beautiful and well-designed yacht that is perfect for those who want to enjoy the best of both worlds. She has the power and performance to take you to your destination in style, and the luxury and comfort to make the journey a memorable one.
